MM-1. 104		4	black	L

This will be one of the best bulls in this sale today. Very electric.
The only reason we are selling him is he currently is not big enough for Brazilians.

MM-2. 851		4	brown.	L
------------------	--	----------	---------------	----------

This bull is out 2 or 3 and turns back

MM-3. 821		4	brindle scur horn.	
------------------	--	----------	---------------------------	--

Nice bull out 3 and wolfs it around. Jump kick spin.

Dave Martin -717-309-7724

DM-1. 104 Firehouse - coming two year old. White w Blk spts. L

We have bucked this bull with a little rider here at Sundance, and at times he has a pretty wicked corner.

DM-2. 361-S --Skunk - coming 5 yr old black and white R

Lineback bull. This bull has a spot in one eye. He has been an R del. Just buck him with his good eye toward the gate. We've used him one year, and he has approx forty outs.

DM-3. 20 - Exterminator - coming 4 yr old brindle R

Rodeo looking bull. Turns back

DM-4. 026 - True Grit - 5 yr old gray bull. R

DM-5 28 - Sandman - 5 yr old tan bull R

We have used for two summers. Riders like him. R del Dependable. Solid. Handles.

DM-6. XB -16 Bezerk. 6 yr old flat horn brown bull. L

Looks like a Mexican fighting bull size XXL.

We have used this bull in our short go at virtually every show we have done for two years. One of the highest priced bulls in this sale two yrs ago. The more you buck him, the better he is. Approximately 80 outs.

DM-7. GlueTag #3- Cowboys Dream Coming 2 yr old brindle wht face E

Coming two year old brindle whiteface. Buck this bull with a junior rider at the sale.

Never bucked with a rider. Pretty bull.
